*We operate a cashless system of payment, taken by Direct Debit on the 1st day of each month through our partner 'Go Cashless'.

*For pupils that join mid-month. After your FREE trial acting class, all subsequent weeks will be charged at £10 for Adults and £6 for JR to take you up until the first day of the following month. This will be taken as a one-off payment. Your subscription for the following month will be taken at the same time.

*Upon joining our classes, you will be sent a secure online mandate form. All you need to do is complete it before the next collection date.

*Direct Debit saves you the hassle of manually paying each month. You'll be notified of any upcoming payments, and you can cancel them whenever you want. What's more, the Direct Debit Guarantee makes this the safest way to pay.
